**12.08.010 Permit required – Application requirements.** It is unlawful to construct or lay any pavement on any public street, sidewalk, alley or other public way or to repair the same without having first secured a permit therefor. Application for such permit shall be made to the city clerk and shall state the location of the intended pavement or repair, the extent thereof, and the person or firm who is to do the actual construction work. No such permit shall be issued except on order of the mayor and city council. (Prior code § 18.102).

**12.08.020 Bond required.** Each applicant shall file a bond in the amount of fifty thousand dollars with sureties to be approved by the mayor and city council, conditioned to indemnify the city from any loss or liability or damage resulting from the work undertaken or the manner of doing the same. (Prior code § 18.103).

**12.08.030 General specifications.** All street and sidewalk pavement shall be made in conformity with the specifications laid down from time to time by the mayor and city council. (Prior code § 18.104).

**12.08.040 Barricade and lighting requirements.** Any person, firm or corporation laying or repairing any pavement on a street, sidewalk, or other public place, or making any excavation in any such place, shall maintain suitable barricades to prevent injury to any person or vehicle by reason of the work. Such barricades shall be protected by suitable and sufficient electric battery operated flashing lights. Such lights shall be kept burning from twilight in the evening through the night. Flares, lanterns, bombs or other devices using a flame shall not be permitted.

Defects in pavement shall be barricaded to prevent injury; and any person, firm or corporation properly maintaining an opening or excavation in such place shall guard such opening or excavation while the same remains open, by proper barricades and lights described in the preceding paragraph of this section. (Prior code § 18.109).

**12.08.050 Disturbing barricades, lights or work unlawful.** It is unlawful to disturb or interfere with any barricade or lights lawfully placed to protect or mark any new pavement or excavation or opening in any public Street, alley or sidewalk. (Prior code § 18.110).
